Our school will have 9 mainstream class teachers in the 25/26 school year. Due to this 5th Class will be divided into two smaller more advantageous sized class groups. 5th Class for 25/26 school year will be divided alphabetically while also giving consideration to gender balance in the groups, to level of SET (Special Education Teaching) need in both splits and also ensuring pupils have a friend in the new 5th Class Group. Alphabetical split was decided upon as best option after consultation with current and previous years class teachers so as to maximise teaching and learning time and the smooth running of classes. Class Splits will be communicated to parents/guardians in mid June. Efforts will be made in 25/26 school year to devise a formal school policy for Class Splits into the future.
